1 What Is the TECHNON Partner Program?**Direct-referral only**

You earn from your own eligible referred customer sales, subject to the current qualification and commission rules.

No multi-level commission

There are no upline/downline chains and no multi-level commission structure.

No self-referral

Partners cannot earn commission from their own purchases through their own Partner link/account.

Core Principles

- Genuine product sales come first. The program is designed to reward real direct customer referrals.
- Normal customers remain normal customers. Only people who choose to apply and satisfy the joining requirement become Partners.
- Reaching a sales target does not automatically change the commission rate. Rank changes require Admin approval.
- Partners see only their own Partner information; other Partners' private financial and account data must never be visible.
- Program settings such as commission percentages, rank targets, referral-window days, monthly minimums, payout minimums and reward settings are Admin-editable.

2 How to Join

- 1 Create or use your existing TECHNON customer account.
- 2 From Your Account, open the Partner application and review the Joining Requirement and Partner Terms.
- 3 Apply as an Affiliate. Existing account details are reused; social media or website information is optional.
- 4 Purchase one TECHNON DUO at RM49.90 and complete successful payment to satisfy the current standard joining requirement.
- 5 After Admin approval, your Partner account becomes active and your referral link, QR and Partner Centre become available.

New Affiliate automatic qualification

Upon approval, a new Affiliate is automatically qualified for commission in BOTH the current calendar month and the following calendar month. After this introductory period, the normal month-specific personal-purchase qualification applies.

What happens after approval?

- Your approved rank starts as Affiliate unless Admin directly appoints another rank with a recorded reason.
- You can share your personal referral link and QR with genuine prospective customers.
- Your Partner Centre shows referral activity, commission balances, monthly qualification, rank progress, rewards and payout information.
- You must continue following the current Partner Terms and approved TECHNON marketing rules.

3 Referral Attribution & RM10 New-Customer Add-On**First-Partner Protection**

When a customer arrives through a valid Partner referral link or QR, the first valid Partner receives attribution protection for the configured window (current default 7 days). Later Partner clicks do not overwrite the first Partner during that window.

Special one-time RM10 add-on

- Only for a genuinely new customer who arrives through a valid Partner referral.
- The customer must make a qualifying purchase of at least RM49.90 within the active referral window.
- One redemption per genuinely new customer.
- The RM10 add-on is excluded from Partner commission.

Product-choice rule**Single product**

The RM10 add-on must be the SAME product as the qualifying single product.

DUO

The customer may choose the eligible product for the RM10 add-on bottle.

3+1

The customer may choose which eligible product they want as the RM10 add-on bottle.

Self-purchase rule

Partners cannot earn commission on their own purchases through their own referral link/account. The Partner Program is for genuine direct customer referrals, not self-referral.

4 Commission & Monthly Qualification

Eligible commission base

Offer	Customer pays for products	Eligible commission base
Single bottle	RM29.90	RM29.90
DUO	RM49.90	RM49.90
3 + 1	RM89.70	RM89.70

Commission lifecycle

Pending after successful payment -> Available after the protection period (current default 14 days) -> Paid after Admin completes the external payout. Cancelled/refunded orders follow the applicable commission reversal rule.

Monthly commission qualification

- After the new-Affiliate introductory qualification period, a Partner's qualifying personal purchase in the CURRENT calendar month qualifies the Partner to earn eligible direct-referral commission in the FOLLOWING calendar month.
- Current default monthly personal-purchase minimum: RM29.90.
- If the minimum is met by month-end, the Partner is qualified to earn eligible direct-referral commission in the following calendar month.
- If the minimum is not met, the Partner is not qualified for the following month; the record remains for audit.
- Each month's qualifying personal purchase determines only the immediately following month's qualification and cannot be carried backward or forward.

Reminder

The system may remind Partners before month-end if the current month's minimum for NEXT month's commission qualification has not yet been met. Reminders stop once the requirement is satisfied.

5 Partner Ranks & Rolling 3-Month Progression

Affiliate

5% RM5,000 -> Agent

Agent

10% RM10,000 -> Distributor

Distributor

15% RM30,000 -> Merchant

Merchant

18% RM50,000 -> Wholesaler

Wholesaler

20% Top rank

How progression works

- The system calculates the latest rolling 3-month eligible direct-referral sales.
- Reaching the applicable target marks the Partner Eligible for promotion; the higher rank/rate begins only after Admin approval.
- After rank approval, the progression baseline resets to RM0 for the next rank. Sales already used for the approved promotion are not reused.
- Sales made after reaching a target but before approval are tracked; after approval, those post-qualification sales become the first progress toward the next rank.
- If a refund reduces an unapproved qualifying total below the target, Eligible status is revoked.
- Once a rank is approved, failure to meet a later target does not automatically downgrade the Partner; Admin controls downgrades.
- If a Partner achieves RM50,000 within the applicable first 3-month progression period, Admin may approve the Partner directly to Wholesaler.

Important

Commission rate changes are prospective. Earlier eligible orders remain at the rate that applied when those orders were placed.

6 Personal Purchase Rewards

Eligible personal purchase in the month	Highest reward finalized at month-end
RM50 - RM99.99	RM2.50 voucher
RM100 - RM149.99	RM5 voucher
RM150 - RM199.99	1 free bottle
RM200+	1 free DUO

How rewards are handled

- Personal purchases accumulate throughout each calendar month. Reward progress is provisional during the month.
- No current-month reward is redeemed immediately; the reward is provisional until month-end.
- Refunds/cancellations during the month reduce eligible accumulated spend and may lower the projected tier.
- Only one reward is finalized for the month: the highest tier reached.
- Reward thresholds, reward types and enable/disable status are Admin-editable.

Free-product shipping rule

A free-product reward requiring shipping cannot currently be redeemed as a standalone shipped reward order. It must be redeemed with a normal paid order unless Self Collection/Pickup with RM0 shipping is used.

7 Payouts, Refunds, Suspension & Privacy**Payouts**

Manual payout initially. Partners can request payout only when Available commission reaches the current minimum threshold of RM50. Requests reserve the amount. Current payout processing is two batches per month: the 15th and last day. Admin pays externally and records Paid date/reference.

Payout details

Partners provide account holder name, bank and account number. These details are visible only to the Partner and authorized Admin.

Refunds & cancellations

A cancellation/refund can reverse commission, reduce monthly reward progress and adjust rank-progression sales according to the applicable rule.

Suspension

Admin can Suspend or Reactivate a Partner. Suspension blocks new referrals and commission on new orders, but does not erase historical records.

Privacy & audit

Partners must never see another Partner's private data. Commission, payout, reward, rank and banking information is limited to the relevant Partner and authorized Admin. Important Admin actions, rank overrides and payout records should retain appropriate history/audit information.

Partner conduct

- Use only current TECHNON approved product descriptions, prices, promotions and marketing materials.
- Do not create fake orders, self-referrals or artificial transactions to obtain commission, rewards or rank progress.
- Do not make unsupported safety, medical, legal or performance claims.

8 Practical Examples & Important Terms**Example 1 - Affiliate DUO referral**

An Affiliate at 5% refers an eligible DUO sale of RM49.90. Eligible commission base = RM49.90. Shipping and the RM10 add-on are excluded.

Example 2 - Previous-month qualification not met

After the introductory period, if the Partner did not meet the RM29.90 personal-purchase minimum in September, the Partner is not qualified to earn October commission; the record remains for audit.

Example 3 - Promotion target reached

A Partner reaches the applicable target, but the higher commission rate starts only after Admin approval. Earlier orders are not recalculated.

Important terms at a glance

- Direct referral only - no multi-level/upline/downline commission.
- First-Partner referral protection - current default 7 days.
- Commission protection period - current default 14 days.
- Monthly personal-purchase minimum - current default RM29.90; a qualifying purchase this month determines commission qualification for the following calendar month.
- Minimum payout - current default RM50.
- Rank progression - rolling 3-month eligible direct-referral sales, with Admin approval required.
- RM10 add-on - one-time offer for a genuinely new qualifying referred customer; excluded from commission.

2

只计算直接推荐，不设上级/下级或多层佣金。

3

合作伙伴不能通过自己的推荐链接/账户从自己的购买赚取佣金。

4

真实产品销售优先；等级变更须经 Admin 批准；合作伙伴只能看到自己的资料。

2 如何加入**1**

建立或使用现有 TECHNON 客户账户。

2

在账户内打开合作伙伴申请，并阅读加入条件及合作伙伴条款。

3

以 Affiliate 身份申请；社交媒体或网站资料为选填。

购买一套 TECHNON DUO RM49.90 并成功付款，以符合目前标准加入条件。

5

Admin 批准后，推荐链接、二维码及 Partner Centre 即可使用。

6

新 Affiliate 获批后，自动具备当前日历月及下一个日历月的佣金资格；之后采用正常的按月个人购买资格规则。

3 推荐归属与 RM10 新客户加购**1**

首位合作伙伴保护：有效推荐链接或二维码带来的客户，在当前默认 7 天保护期内归属首位有效合作伙伴；之后的合作伙伴点击不会覆盖。

2

RM10 加购只适用于真正的新客户，并须在有效推荐期内完成至少 RM49.90 的合资格购买。

3

每位真正的新客户只可使用一次；RM10 加购不计入合作伙伴佣金。

4

合作伙伴不能通过自己的推荐链接从自己的购买赚取佣金。

4 佣金与每月资格

佣金计算

佣金基数

佣金以实际支付的合格产品金额计算。运费及 RM10 新客户加购不计入佣金基数。

佣金流程

成功付款后为 Pending -> 保护期结束后为 Available (当前默认 14 天) -> Admin 完成外部付款后为 Paid。取消或退款按适用规则冲销佣金。

重点

- 新 Affiliate 自动资格期结束后，伙伴在本日历月达到管理员设定的个人购买最低额，才可取得下一个日历月的直接推荐佣金资格。
- 当前默认每月个人购买最低额：RM29.90。
- 若在本月底前达到最低额，伙伴将在下一个日历月具备赚取合格直接推荐佣金的资格。
- 若本月未达到最低额，则下一个日历月不具佣金资格；相关记录仍保留作审计。
- 每个月的合格个人购买只决定紧接下一个日历月的资格，不可向前或向后结转。

1 Apakah Program Rakan TECHNON?**1**

Program Rakan TECHNON ialah program jualan rujukan langsung. Rakan memperoleh komisen daripada jualan produk layak kepada pelanggan yang dirujuk sendiri.

2

Rujukan langsung sahaja; tiada struktur upline/downline atau komisen berbilang tingkat.

3

Rakan tidak boleh memperoleh komisen daripada pembelian sendiri melalui pautan/akaun Rakan sendiri.

4

Jualan produk tulen diutamakan; perubahan pangkat memerlukan kelulusan Admin; Rakan hanya boleh melihat data sendiri.

2 Cara Menyertai**1**

Cipta atau gunakan akaun pelanggan TECHNON sedia ada.

2

Buka permohonan Rakan dalam akaun dan semak Syarat Penyertaan serta Terma Rakan.

3

Mohon sebagai Affiliate; maklumat media sosial atau laman web adalah pilihan.

4

Beli satu TECHNON DUO RM49.90 dan lengkapkan bayaran berjaya untuk memenuhi syarat penyertaan standard semasa.

5

Selepas kelulusan Admin, pautan rujukan, QR dan Partner Centre tersedia.

6

Affiliate baharu yang diluluskan layak secara automatik untuk komisen dalam bulan kalendar semasa DAN bulan kalendar berikutnya; selepas itu peraturan kelayakan pembelian peribadi bulanan biasa terpakai.

3 Atribusi Rujukan & Tambahan RM10**1**

Perlindungan Rakan pertama: pelanggan melalui pautan/QR sah dikaitkan kepada Rakan sah pertama sepanjang tempoh perlindungan semasa, iaitu 7 hari; klik Rakan kemudian tidak menerima atribusi itu.

2

Tambahan RM10 hanya untuk pelanggan benar-benar baharu yang membuat pembelian layak sekurang-kurangnya RM49.90 dalam tempoh rujukan aktif.

3

Satu penebusan bagi setiap pelanggan baharu; tambahan RM10 dikecualikan daripada komisen.

4

Rakan tidak boleh memperoleh komisen daripada pembelian sendiri melalui pautan rujukan sendiri.

4 Komisen & Kelayakan Bulanan**Cara komisen dikira****Asas komisen**

Komisen dikira atas jumlah produk layak yang benar-benar dibayar selepas diskaun. Penghantaran dan tambahan RM10 dikecualikan.

Kitaran komisen

Pending selepas bayaran berjaya -> Available selepas tempoh perlindungan (lalai semasa 14 hari) -> Paid selepas Admin melengkapkan pembayaran luar sistem.

Perkara penting

- Selepas tempoh pengenalan Affiliate baharu, pembelian peribadi layak dalam bulan kalendar SEMASA menentukan kelayakan Rakan untuk memperoleh komisen rujukan langsung pada bulan kalendar BERIKUTNYA.
- Minimum pembelian peribadi bulanan lalai semasa: RM29.90.
- Jika minimum dicapai sebelum akhir bulan, Rakan layak memperoleh komisen pada bulan kalendar berikutnya.
- Jika minimum tidak dicapai, Rakan tidak layak untuk bulan berikutnya; rekod kekal untuk audit.
- Pembelian layak setiap bulan hanya menentukan kelayakan bulan kalendar berikutnya dan tidak boleh dibawa ke belakang atau ke hadapan.

5 Pangkat & Kemajuan 3 Bulan Bergulir**Affiliate**

5% • RM5,000 -> Agent

Agent10% • RM10,000 ->
Distributor**Distributor**15% • RM30,000 ->
Merchant**Merchant**18% • RM50,000 ->
Wholesaler**Wholesaler**

20%

Perkara penting

- Affiliate 5% (RM5,000 -> Agent); Agent 10% (RM10,000 -> Distributor); Distributor 15% (RM30,000 -> Merchant); Merchant 18% (RM50,000 -> Wholesaler); Wholesaler 20%.
- Sistem mengira jualan rujukan langsung layak bagi 3 bulan bergulir terkini. Mencapai sasaran hanya menjadikan Rakan layak dipertimbang; pangkat/kadar lebih tinggi bermula selepas kelulusan Admin.
- Selepas kenaikan pangkat diluluskan, asas kemajuan untuk pangkat seterusnya bermula semula pada RM0; jualan yang telah digunakan tidak dikira semula.
- Tiada penurunan pangkat automatik; Admin mengawal sebarang penurunan.
- Perubahan kadar komisen berkuat kuasa secara prospektif; pesanan terdahulu kekal pada kadar ketika pesanan dibuat.

6 Ganjaran Pembelian Peribadi

Pembelian peribadi layak	Ganjaran tertinggi pada akhir bulan
RM50 - RM99.99	RM2.50 voucher
RM100 - RM149.99	RM5 voucher
RM150 - RM199.99	1 free bottle
RM200+	1 free DUO

Perkara penting

- Pembelian peribadi terkumpul sepanjang setiap bulan kalendar; kemajuan ganjaran adalah sementara dalam bulan tersebut.
- RM50-RM99.99: baucar RM2.50; RM100-RM149.99: baucar RM5; RM150-RM199.99: 1 botol percuma; RM200+: 1 DUO percuma.
- Ganjaran bulan semasa tidak ditebus serta-merta; hanya tahap tertinggi yang dicapai dimuktamadkan pada akhir bulan.
- Bayaran balik/pembatalan mengurangkan perbelanjaan layak dan boleh menurunkan tahap ganjaran yang diunjurkan.
- Ganjaran produk percuma yang memerlukan penghantaran mesti ditebus bersama pesanan berbayar biasa kecuali Self Collection/Pickup dengan penghantaran RM0.

7 Bayaran, Bayaran Balik, Penggantungan & Privasi**1**

Bayaran adalah manual pada peringkat awal. Permintaan hanya apabila komisen Available mencapai minimum semasa RM50; pemprosesan semasa dua kali sebulan: 15 haribulan dan hari terakhir.

2

Butiran bank hanya boleh dilihat oleh Rakan dan Admin yang diberi kuasa.

3

Pembatalan/bayaran balik boleh membalikkan komisen, mengurangkan kemajuan ganjaran dan melaras jualan kemajuan pangkat mengikut peraturan berkenaan.

4

Admin boleh Suspend/Reactivate Rakan; penggantungan menyekat rujukan baharu dan komisen pesanan baharu tetapi tidak memadam sejarah.

Perkara penting

Rakan tidak boleh melihat data peribadi Rakan lain; tindakan penting Admin perlu mengekalkan rekod audit yang sesuai.

8 Contoh Praktikal & Terma Penting**1**

Contoh 1: Affiliate 5% merujuk DUO layak RM49.90. Asas komisen layak RM49.90; penghantaran dan tambahan RM10 dikecualikan.

2

Contoh 2: Selepas tempoh pengenalan Affiliate baharu, jika minimum pembelian peribadi RM29.90 tidak dicapai pada September, Rakan tidak layak memperoleh komisen Oktober; rekod kekal untuk audit.

3

Contoh 3: Mencapai sasaran pangkat masih memerlukan kelulusan Admin; kadar lebih tinggi tidak mengira semula pesanan terdahulu.

Perkara penting

Penting: rujukan langsung; perlindungan Rakan pertama lalai 7 hari; tempoh perlindungan komisen lalai 14 hari; pembelian layak bulan ini menentukan kelayakan komisen bulan kalendar berikutnya; minimum bayaran lalai RM50.
